Decorating your bangles

- From the stickers in this kit you have lots of opportunity to decorate your bangle designs with gorgeous jewels, cool messages and pictures.
- With the glitter glue or felt pens, why not add little dots to the edges of your bracelets for a patterned edging.
- If you have any spare sticks left over you can make your own designs by sticking on photos, magazine pictures or even your own drawings.

WARNING!
Not suitable for children under 3 years. Contains small parts which may cause a choking hazard. Glue may stain fabrics, carpets and vinyl. For use under adult supervision. Please read the instructions before use, follow them and keep for future reference.

BANGLE BLITZ Glam
Making your very own bangles is so easy to do with the unique bangle maker!
You can personalise your designs with glitzy foil designs, stickers, jewels and glitter glue to make your bangles look extra cool!

Contents: Plastic bangle maker, 4 bangle holders and bangle clips, wooden bangle sticks for 25 bracelets (including spare ones in case any split when making the bangles), paper bangle strips, sticker sheet, sticky jewels, glitter glue, PVA glue.

To assemble your bangle maker, follow the next 3 diagrams.

Right handle

Line up the arrows on the bottom of the RIGHT handle to the arrow opposite it

Slot the oval bangle holder over the two pegs with the arrow facing the TOP

Left handle

Line up the arrows on the bottom of the LEFT handle to the arrow opposite it
1. Make a small mark on the over bungee holder.
2. Wrap the stick around the over bungee holder.
3. Take a small block of play dough and put it on the end of the stick where it touches the ground. 
4. Take the stick and place it on the ground. Make sure the stick is balanced on the play dough block. 
5. Now, when you are ready to decorate your bungee, you can add any decorations you want. 

Before you begin:

- Cover your work area with a cloth and lay out your materials. 
- Make sure you have all the supplies you need. 
- Wear safety glasses and a mask. 

Let's make a bungee!

1. Cut a piece of wood and sand it smooth. 
2. Using a drill, make a hole in the center of the wood. 
3. Take a piece of string and tie a knot in one end. 
4. Thread the string through the hole in the wood. 
5. Tie a knot in the other end of the string. 

Now you have a bungee! 

Put the stick in the bin and throw away!

1. Take your bungee and put it in the bin. 
2. Throw away the string. 
3. Wash your hands. 

Remember to always be safe when working with wood. 

End of activity.
