BATTERY INFORMATION: Giggle Wiggle requires 3xAA batteries (not supplied). We recommend alkaline batteries for optimum performance.

An adult should install the batteries and take note of the following – open the cover on the base of the unit by using a cross head screwdriver. Insert the batteries making sure the + and – signs on the batteries are aligned with the corresponding + and – markings inside the compartment.

• Do not recharge non-rechargeable batteries.
• Do not mix different types of batteries such as alkaline and rechargeable, or used and new batteries.
• Rechargeable batteries are to be removed from the toy before charging them.
• Rechargeable batteries are only to be charged under adult supervision.
• Only batteries of the same or equivalent type as recommended are to be used.
• Insert batteries in the correct polarity.
• Remove exhausted (used) batteries from the toy.
• Remove batteries from the toy if it is not going to be used for a long period of time.
• Do not short-circuit the supply terminals.
• Batteries should be replaced by an adult.
• Do not attempt to power battery products from the mains supply and do not insert connecting wires into electrical socket outlets.
• Dispose of used batteries at a recycling point. Never dispose of batteries in fire.
