

## SETUP

1. Shuffle the deck and lay 10 cards onto the table face down. This is the match pile. Make sure only character cards are in the match pile! If there are any non-character cards in the pile, remove and replace with character cards.
2. Deal the remaining cards out amongst the players. This is their draw pile. **DO NOT LOOK AT YOUR CARDS!**

## HOW TO PLAY

1. Turn the top card of the match pile over, players must now match this card.
2. Play starts with the youngest player and moves clockwise with each player taking turns to place a card from their draw pile into the middle of the table. **NOT ONTO THE MATCH CARD. CREATE A NEW PILE.**
3. Players take turns placing cards into the middle until the card placed matches the card showing from the match pile. All players must race to slam the deck and shout the character's name. The last player to slam must pick up all the cards in the deck and add them to their draw pile.
4. Flip over the next card on the match pile, and play will continue starting with the player who picked up.
5. If any of the following 'special' cards are placed down, regardless of the card showing on the match pile, the following must happen.
  - a. **MISS A GO** – The next player misses a go.
  - b. **SWAP HANDS** – Each player gives their draw pile to the player to their right.
  - c. **CHANGE DIRECTION** – Play changes direction.
  - d. **PIZZA** – If this card is placed into the middle, players must race to slam the deck and shout "PIZZA TIME!" Regardless of the match card.
6. If a player fails to act upon these 'special' cards, they must add all the cards from the middle to their draw pile. **DO NOT CHANGE THE MATCH CARD AT THIS POINT.**

## HOW TO WIN

The first player to get rid of all their cards or the player with fewest number of cards at the end of the round, when the match pile is finished, is the winner! If it's a tie, the tied players play one more round to determine the winner.
